

SERVE THOSE WHO SERVE OUR COUNTRY

THANKING MILITARY FAMILIES FOR THEIR SERVICE BY HELPING THEM COME HOME.

When military staff and their families relocate, the services of a real estate professional who understands their needs and timetables makes the transfer easier, faster, and less stressful. This certification focuses on educating real estate professionals about working with current and former military service members to find the housing solutions that best suit their needs and take full advantage of military benefits and support.

Learn how to provide the real estate services-at any stage in the service member's military career-that meet the needs of this niche market and win future referrals. Hone in your knowledge and skills for working with active duty military buyers and sellers, as well as veterans with the NAR's Military Relocation Professional Certification.
